

European Council Regulation (EU) 833/2014

Declaration

We, **Bel Power Solutions**, has evaluated all the information provided by our suppliers with regards to European Council Regulation (EU) 833/2014. As of this date and to the best of our knowledge, we hereby declare that the products that we supply:

- do not incorporate iron and/or steel materials originating in Russia.
- do not contain certain iron and/or steel components, directly or indirectly, that are restricted for import into Europe, UK or any other country, including, but not limited to, pursuant to the following regulations:
 - Annex XVII of Council Regulation (EU) 833/2014 (“the Regulation”) as amended latest by Council Regulation (EU) 2023/1214 concerning ‘restrictive measures in view of Russia’s actions destabilising the situation in Ukraine’; and
 - Schedule 3B, as per Regulation 46IA and 46IB of the (UK) Russia Sanctions Regulations.
- do not contain components that are processed in a third country and contain iron and/or steel products, directly or indirectly, that are referenced in the foregoing.

We will continue to require our suppliers for components with iron and steel to accompany each shipment with their declarations.
